BioFresh™

liquid digester/deodorizer

Don't punish clogged drains with harsh chemicals. The potent, all-natural bacteria and enzymes in BioFresh completely digest stubborn clogs and odor-causing matter to help prevent call-backs.

- digests organic matter to clear clogs and fight odors
- treats drains, grease traps, sumps, garbage disposals and septic tanks
- non-toxic, pipe-friendly
- creates protective biofilm in pipe
- for regular drain and disposal maintenance, including metered dispensing in restaurant kitchens
