Drains

JetBugs™

potent biowash for problem drains

Restore your drains with a deep, long-lasting clean. JetBugs delivers powerful grease removal and enduring protection from a single application by your plumber's jetter or pressure washer.

- deep cleaning
- foam treatment leaves behind billions of grease-eating bacteria to fight off future grease long after service
- extends time between service
- non-toxic, pipe-friendly
- treats drains, grease traps, sumps, garbage disposals and septic tanks
